---

The February 7, 2011 revision submitted by Robert Clark for the proposed Number 1 Clark Mine upon trust lands under mineral lease ML 43181 (DOGM #S0150074) satisfactorily addresses all of the issues previously raised by SITLA. We concur with issuance of the Small Mine permit for this operation provided that the permittee first submits the required reclamation bond to DOGM. Thank you.

John T. Blake  
Trust Land Specialist  
SITLA

John,

attached is a copy of the response that the Division received for the Number 1 Clark Mine. Please let me know if this addresses your concerns about archeology and profiles.

Wayne
